

AC/DC Voltage Detector

Non-contact detection of AC Voltage

CE

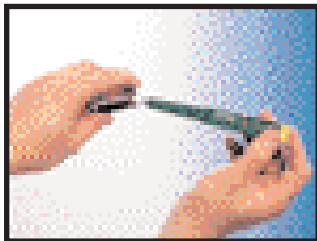

Features:

- Contact AC Voltage from 70 to 250 VAC
- Non-contact AC Voltage from 70 to 600VAC
- Contact DC/Polarity Check from 1.5 to 36VDC
- Continuity Check from 0 to 5M
- Self Test insures proper battery installation and battery life
- Dimensions: 5.6x0.6x0.6" (142.2x15.2x15.2mm)
Weight: 0.7oz (19.8g)
- Complete with two button batteries

Applications:

Voltage check in an outlet

Battery Check

Checking for open wires
in cables

Light Bulb Continuity Check
